The Conditions of Release ordered Peters to participate in a substance abuse program as directed with State Probation / Healing Hearts, and authorize U.S. Probation to verify same. In that the defendant did not complete the recommended treatment and is no longer on state probation, it is respectfully recommended the conditions of release be modified to include the defendant participate in a program of inpatient or outpatient substance abuse therapy as directed by the probation officer.

PRAYING THAT THE COURT WILL ORDER the defendant participate in a program of inpatient or outpatient substance abuse therapy and counseling as directed by the supervising probation officer.
